

A photograph of a cozy living room. In the center is a fireplace with a stone surround and a dark wood mantel. A black wood-burning stove is installed in the fireplace, with a fire burning inside. Above the mantel is a framed abstract painting with yellow and blue tones. To the left, a brown sofa is visible. In the foreground, a coffee table holds a white mug and some candles. The text 'THE TRADE STOVE & FIREPLACE PROFESSIONAL SHOW 2026 PREVIEW' is overlaid in large, white, serif font on the left side of the image.

Focus Fireplaces are continually updating and improving their products. We reserve the right to alter designs, dimensions and specifications of our fire surrounds and suites without notice. All sizes are approximate.

Brochure colours may vary from the actual product due to the photographic and printing processes and the variations in grain of solid timbers.
